## THE UNIVERSITY OF APPLIED SCIENCES, BURGENLAND

*There are currently over 3,000 students enrolled at our campuses which are located in Eisenstadt and Pinkafeld. In addition, we continually welcome incoming students from various European countries. There is a very friendly atmosphere due to the relatively low number of students; therefore, meeting people and making new friends happens relatively quickly.*

*Eisenstadt, which is about 50 kilometers from Vienna, is a small town with about 17,000 inhabitants. With good infrastructure and multiple options for leisure activities (Lake Neusiedl, vineyards, hiking and biking regions, etc.), the area around Eisenstadt offers high quality of life.*
